

**CANDIDATE FOR TOWN COUNCIL MEMBER  
TOWN OF APPLE VALLEY**

**NAME: BOB SAGONA**

**OCCUPATION: Apple Valley Councilman**

While on the Town Council, I consistently fight to preserve half acre lots and equestrian activity in Apple Valley, *THE* premier community of the Victor Valley. I serve on the most productive Town Council ever.

Some accomplishments:

Ten new police officers since 2002; including a gang task force.

Five shopping centers, a movie theater, present or on the way, providing 2200 jobs and \$2,600,000 annual sales and property tax revenues.

Civic Center Park swimming pool; coming: an amphitheater and a host of recreational facilities. Plans for a commercial/light industrial complex near the Airport, eventually creating 37,900 jobs. 90% of our roads have been repaved since incorporation in 1988; improved right and left turn lanes at Route 18 and Apple Valley Road, ending serious traffic congestion; repaving, widening and traffic signals on Apple Valley Road.

As vice chair, regional wastewater and air quality boards, I oversee major expansion of our sewer system, reclaimed water, clean air and a healthy environment.

I oppose Mello-Roos taxes which are a Town financial risk and an "end run" around Proposition 13.

Insisting on sensible managed growth of our Town, I have the time, energy and dedication to continue serving our community. I ask for your support.
